Google Guía de Bolsillo Rael Dornfest, Tara Calishain, DJ Adams

Beneath its deceptively simple search form, Google is a remarkably powerful and flexible search engine that indexes billions of web pages, handling more than 150 million searches a day. You know that what you're looking for must be in there somewhere, but how do you make Google work for you? Crafted from our best-selling *Google Hacks* title, the *Google Pocket Guide* provides exactly the information you need to make your searches faster and more effective, right from the start. The *Google Pocket Guide* unleashes the power behind that blinking cursor by delivering:

- A thorough but concise tour of Google's features
- Practical examples to inspire going beyond the basic keyword search
- Secrets for constructing more powerful queries using Google's special syntax
- Advice on how to understand and further refine the results Google provides

Whether you're a student researching a topic for class, a medical or legal professional needing field-specific reference information, or a home user looking for that article on home repair you forgot to bookmark, the *Google Pocket Guide* will take you from mystified to mastery.
