This fantastic slipcase contains six of Winnie and Wilbur's crazy capers. Meet them in their black house, take a hazardous ride on Winnie's broomstick, join them on a hot and sunny *winter's* day, find out what happens when Winnie's wand stops working, discover how much chaos a computer can cause and spend a day with them at the seaside! This collection is a must-have purchase for Winnie fans everywhere and, for those who have yet to meet everyone's favourite witch, it is a set that is guaranteed to make readers the best of friends with Winnie and her big black cat, Wilbur! The stories are full of noisy antics: clattering footsteps, colliding broomsticks, clanking washing machines, whirring computers and splashing waves are just some of the wonderful additions to the narration of each story on the accompanying two CDs.

Review

Paul's artwork is as dynamic and arresting as ever. His comic touch is perfectly judged, stretching the simple story within reach of a wide age group. (*The Guardian, Amazing Stories Supplement.*)
