Formula 1: The Roaring '70s R. W. Schlegelmilch

With The Golden Age of Formula 1, legendary photographer Rainer W. Schlegelmilch created a homage to a special time in racing. That successful title not only showcased great sports images, it defined the essence of an era and also set a very high standard for Schlegelmilch's new book, The Roaring 70s. The color photography has an intriguing and exciting feel, leading the readers back to an ambiance far removed from today's professionalism. Those halcyon days really did have a special charm all their own. This volume presents all the stars of the decade: Jackie Stewart, Emerson Fittipaldo, Niki Lauda, Mario Andretti...Even the uninitiated will become true fans.
