Review

Literary scholar Peter Bondanella rightly seeks the cold elegance and readability of the original. Serious English readers will want both translations. (*Lauro Martines, TLS*) From the Inside Flap

Other Titles Available in the Classics Series from Capstone *Think and Grow Rich*, Napoleon Hill *The Art of War*, Sun Tzu *The Science of Getting Rich*, Wallace D. Wattles *The Wealth of Nations*, Adam Smith From the Back Cover

The Handbook for Leaders *The Prince* is often regarded as the first true leadership book. It shocked contemporary readers with its ruthless call for fearless and effective action. With simple prose and straightforward logic, Machiavelli's guide still has the power to surprise and inform anyone hoping to make their way in the world. This keepsake edition includes an introduction by Tom Butler-Bowdon, drawing out lessons for managers and business leaders, and showing how *The Prince* remains vital reading for anyone in the realm of business or politics.
