In the exquisite and creative world of MONIN quality innovation versatility and service are our priorities. We are dedicated to providing our customers with the best flavours to use in the most popular and versatile applications. Our strength lies in anticipating the needs of consumers wherever they are. Only the best natural ingredients (fruits flowers spices & nuts....) are selected from all over the world to guarantee the pure consistent taste in all our products all year long. MONIN syrups are made exclusively from pure sugar which ensures optimal restitution of the flavour and respect for all other ingredients. Orange Sanguine Blood Orange is a type of orange that gets its name for its crimson blood-colour flesh. An hybrid of ancient cultivated origin possibly between pomelo and tangerine. Originally from Sicily (named Tarocco) you will find today two other types: the Sanguinello in Spain; and the Moro in the USA where it is very popular. Very juicy it has a distinctive flavour: sweet and bitter. Slightly less acidic than regular table oranges. It is also famous thanks to its incredible colour. Abundance of pigments has made its pulp red or purplish red. Colour: Orange red colour. Taste: Powerful fruity flavour with a citrus aroma. Good balance between acidity bitterness and sweetness of the fruit. Applications: Sweet bitter to balance your cocktails smoothies frozen drinks teas and desserts. Please note: Not compatible with cold milk steamed milk or coffee based drinks.
